NEW

Router Table Combo #3 "The Works"

The new Router Table Combo 3 "The Works" is an extension of RT Combo 3, adding the most popular accessories at a substantial discount: Exceptional dust collection from the INCRA CleanSweep System, wheels, a remote switch, plus the accuracy & convenience of an INCRA Router Lift.

If you're looking for a one-stop solution for all your router table work, the RT Combo 3 "The Works" is the choice. This is a setup that you'll never outgrow, improving your consistency & accuracy for edge shaping, traditional routed joinery like rabbets & grooves, edge jointing, guide bushing work, and even the extensive collection of INCRA box joints and dovetails.

- INCRA LS Super System
- INCRA 27" x 43" Offset Router Table Top
- INCRA 43" Router Table Stand
- INCRA Mast-R-Lift-II or INCRA PRL-V2 Router Lift
- INCRA Wheel Kit
- INCRA CleanSweep Dust Cabinet
- INCRA 6pc CleanSweep MagnaLOCK Ring Set
- INCRA CleanSweep Guide Bushing Ring
- JessEm Pow-R-Tek Remote Router Switch
- INCRA Projects and Techniques Book

with INCRA Mast-R-Lift-II

with INCRA PRL-V2 Router Lift

Optional Router Table Combo #3 "The Works" Upgrades:
