## INCRA LS POSITIONER COMBO VALUE PACKAGES - For Your Router Table

NEW

# INCRA Router Table Combo #3 "The Works"

*The INCRA Router Table Combo 3 "The Works" is an extension of RT Combo 3, adding the most popular accessories at a substantial discount: Exceptional dust collection from the INCRA CleanSweep System, wheels, a remote switch, plus the accuracy & convenience of an INCRA Router Lift.*

*If you're looking for a one-stop solution for all your router table work, the RT Combo 3 "The Works" is the choice. This is a setup that you'll never outgrow, improving your consistency & accuracy for edge shaping, traditional routed joinery like rabbets & grooves, edge jointing, guide bushing work, and even the extensive collection of INCRA box joints and dovetails.*

### INCRA Router Table Combo #3 Standard Components:

- INCRA LS Super System
- INCRA 27" x 43" Offset Router Table Top
- INCRA 43" Router Table Stand
- INCRA Mast-R-Lift-II or INCRA QuickLift
- INCRA Wheel Kit
- INCRA CleanSweep Dust Cabinet
- INCRA 6pc CleanSweep MagnaLOCK Ring Set
- INCRA CleanSweep Guide Bushing Ring
- JessEm Pow-R-Tek Remote Safe Power Switch
- INCRA Projects and Techniques Book

### Optional Router Table Combo #3 "The Works" Upgrades:

- INCRA Aluminum MagnaLOCK Router Mounting Plate
- HingeCrafter 8-Piece Whiteside Router Bit Set
